Contact tracing procedures

Please note that all members and guests are now required to sign in digitally for contact tracing purposes. Paper sign on sheets no longer meet government requirements. Members are encouraged to sign in at the sign on terminal at reception with their membership cards (this is the fastest way) Alternatively you may scan the QR codes found throughout venues and fill out the digital form. This is a requirement any time you enter any of the venues, whether you are there for training, racing, dining or any other reason. We ask that Junior members bring their member cards to training so we can sign everyone in quickly. If you have misplaced your card please see reception for a replacement.
