Discover Sailing Day - 11th June

We had a fantastic day on Saturday with the Discover Sailing Day. Despite the very cold weather, we had 120 pre-registrations with lots of walk in throughout the day. We would like to extend a massive Thankyou to all the volunteers who put up their hand to help out during the busy day, and to the Livingstone Shire Council for their help.

Bundaberg Sailing Regatta

We had a very successful regatta with a fantastic representation from Keppel Bay with 6 Juniors and 5 Senior Boats. There were very difficult conditions during the weekend, especially on Saturday: there was little wind and fresh flow travelling down the river very fast. Sunday was awesome with 10-15 knots of wind and little tidal flow.

Congratulations to all those who travelled away, particularly to Nora, Tommy, Verity and Levee for doing so well at their very first regatta!

Junior Fleet;

1st Place - Emily Franceschin

2nd Place - Tommy Crone

3rd Place - Sarah Scantlebury

4th Place - Verity Scott

5th Place - Nora Leon Hernandez

6th Place—Levee Grueger-Haines

Division 3;

3rd Place - Caelan Byrt & Robert Deards

Keppel Bay Sailing Club Volunteers Day

Keppel Bay Sailing Club invite you to attend the annual Volunteers Day, where you will be provided with ongoing training, upskilling and information to support you in the duties that you give freely to your sailing community within the club.

We appreciate all our volunteers!

CLUB RACE OFFICER SEMINAR

The Club Race Officer seminar is designed to educate people who wish to become involved with the officiating aspect of sailing and is aimed at training Australian Sailing members in the basics to conduct consistent, fair and safe racing at a club level.

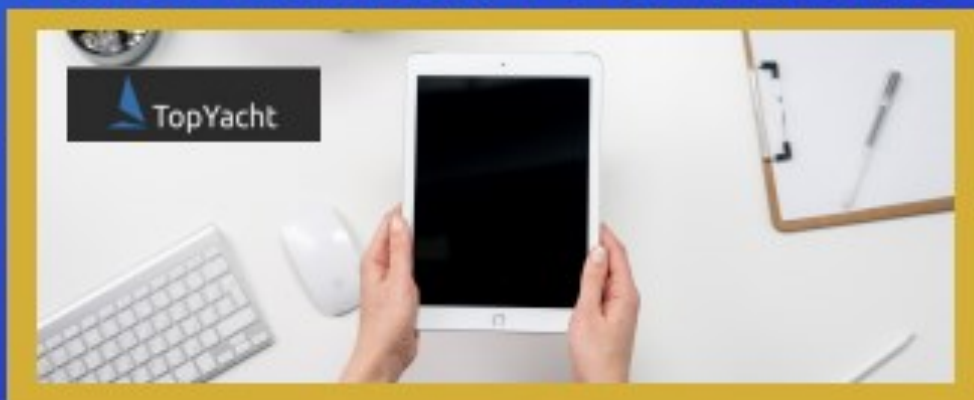

Paul Effeney will present the seminar from 9:00 am - 12:30pm

Volunteer Lunch @ the Clubhouse Restaurant

12:30 - 1:30pm

TOP YACHT SOFTWARE TRAINING

Learn how to use Top Yacht results software on tablets. The system provides fast and easy access to results, improved results accuracy, and yardstick & handicapping solutions.

Paul Effeney will present the training from 2:00 pm - 4:00pm
