KBSC GRANT ADVERTISING

Successful applicants consent to KBSC:

- disclosing the funding amounts granted.

Depending on the applicant's status with the Australian Tax Office (ATO), funding may attract goods and services tax (GST). Organisations requesting financial assistance are therefore required to declare whether or not they are GST registered and provide an Australian Business Number (ABN).

All grant amounts are GST exclusive. Where a grant applicant is registered for GST, the grant amount awarded to the applicant will be adjusted for GST (for example, a \$1,000 grant will be paid as \$1,100 GST inclusive). For further information on GST, please contact the ATO.
