Development Update

“On track for YouthSail QLD 2024”

If you have driven past The Clubhouse site recently you will have noticed the scaffolding coming down and the contractor's moving from the 'rigging area' to the northern end of the club. Key points of note:

- A Temporary Certificate of Occupation (TCoO) is in progress to enable access to the rigging area and ground floor of The Clubhouse for Youth Sail 2024
- The TCoO will be from 6th - 29th September 2024
- The TCoO requires certification from Queensland Fire Department (QFD) and the Building Certifier leading into 6th September
- The rigging area will be turfed
- The Clubhouse will not be open to the public during the TCoO
- There is a hive of activity within the building with numerous contractors across all level of the building. This will continue on levels 1 and 2 during the TCoO.

A revised completion date is still to be determined - working toward 30 September 2024
