QAS Talent Scouting Day

Queensland Academy of Sport is on a mission to discover the next generation of Olympic stars.

The scouting team will be in Rockhampton Wednesday November 13 searching for untapped talent aged 13-23 who are ready to take their love for sport to the next level.

With 15 Olympic sports on board – including athletics, boxing, sailing, triathlon, and rowing – this is your chance to be part of something big.

Please note, the testing being conducted at this session is general physical testing that enables QAS to get a broad overview of each athlete's current capabilities and match them to potential sports.

No sport specific testing is conducted until an athlete is selected by a sport.

To register for a testing session click [HERE](#).
