Recent Events

She Sails Discover Laser Day

What an awesome day at the Causeway Lake holding the first SheSails Discover Laser Day.

The Day was well attended with 9 women and girls participating.

Sunday morning saw a small storm holding us ashore for a little while, however, once the weather cleared everyone had a blast out on the water.

It's safe to say our keen sailors are all looking forward to the next event.

Green Fleet Race Day at the Causeway

Saturday, the 18th, marked our January race day at Causeway Lake, where we faced challenging but exciting conditions. A light 5-knot South westerly breeze made for tricky sailing, but that didn't stop our four boats from bringing their A-game: two Bics, an Optimist, and a 3-handed RS Feva. The sailors were put to the test with a challenging trapezoid course, which included an extra windward/leeward leg at the wing marks. They handled it all brilliantly, and even decided to throw in some person-overboard drills for good measure.

A big thank you to all the volunteers who made the day run smoothly, and we look forward to seeing you next month!

Capricorn Film Festival 2025: Screening of Ice Maiden

Watching the determination of adventurer and sailor Lisa Blair, on her journey to become the first woman in history to sail solo around Antarctica was very inspirational.

Thank you to our Rear-Commodore Fran Grueger who spoke to the audience on behalf of KBSC and to all who supported this amazing documentary.

Volunteer Roster

KBSC Club Racing

PLEASE NOTE: We would appreciate if volunteers that are rostered on please arrived at Clubhouse by **10:30am** at the latest. There are numerous jobs that we need a hand with on Sunday mornings including: driving the tractor, checking fuel in the RIBS, launching the RIBS to greet Muriel D and George B. It would also be appreciated that you pack away RIBS and help with pack up at the end of the day.

Many hands make light work!
