# Training in the Spotlight

## LASER FLEET

Laser Fleet is an exciting addition to our already thriving training program, providing sailors an introduction to the Laser class.

Thursday 30th January was our first day of Laser Fleet training. We were unable to sail due to high winds and very rough weather, so we spent the session going over basics.

We covered rigging, tacking, double handed sheeting and proper hiking technique using the Laser simulator.

We had a great time welcoming the new members of our fleet and look forward to hitting the water next week.

Coach: Camille Gallais

Instructor: Caelan Byrt
