# Training in the Spotlight

## 29ER SQUAD

Last week saw the 29er sailors spending Monday doing maintenance on the boats, the replacing spinnaker halyards, stay fittings and general maintenance, to ensure that all boats were back on the water for Wednesdays session. Rob and Calen hit the water practicing their tacks and adjusting body weight and trimming through the waves.

Wednesdays session saw 15-18knots and moderate swell. The goal of the session was to focus on working the waves through the upwind. Caelan and Rob spent the session also practicing their starts. Jared and Emily spent time practicing their capsized recovery on the wing mark.

Well done everyone for your efforts this week.  
Fingers crossed for better weather for this weeks training.

**Coach:** Sophie Baynton
