### LASER MASTERCLASS - WITH BLAKE NEWTON

On Saturday, a Laser Masterclass was conducted, featuring 10 sailors who took to the water to enhance their skills under the expert guidance of Blake Newton. The on-water session focused on refining sail trim and boat handling techniques, with particular emphasis on body movement and positioning, utilising the chines more effectively during gybing, and optimising wave-catching strategies downwind. The sailors gained substantial knowledge from this session and are keen to apply these skills in the upcoming QLD ILCA State Championships.

A big shout out to Blake for dedicating his weekend to lead this Masterclass.

If you're attending the Sail Airlie coaching clinic and/or Regatta, please contact Conrad [conrad.byrt@kbsc.com.au](mailto:conrad.byrt@kbsc.com.au) ASAP for boat transport assistance or if you can help with towing.

## GREEN FLEET RACE DAY

Our Green Fleet sailors eagerly took to the water on Saturday for our March Green Fleet Race Day. With ideal conditions at Causeway Lake, we successfully completed three races, an adventure sail, and concluded with a refreshing swim.

We extend our sincere gratitude to all the parents who assisted throughout the day; your support is invaluable.

We look forward to seeing everyone at the next Green Fleet Race Day.

**Instructors:** Jo Stam & Jared Newton
