

THE CLUBHOUSE

MAIN SAIL BISTRO & BAR

The Clubhouse is the heart of Keppel Bay Sailing Club, a not-for-profit organisation proudly supporting the Capricorn Coast community since 1957. What began with a group of passionate sailors and volunteers has grown into a vibrant hub for locals and visitors alike. In 1961, our founding members transformed an old skate rink and dance hall into the original Clubhouse – setting the course for what KBSC is today.

In November 2024, we proudly opened the doors to our newly redeveloped Clubhouse – marking an exciting new chapter in our history, created for our members, guests, and the community.

Thank you for being part of our story. We look forward to welcoming you soon!
