The Gladstone All Boats Regatta delivered two days of exciting and challenging racing. Day 1 saw strong 15–17 knot winds, choppy seas, and a powerful tidal flow that led to several capsizes and gear breakages. Day 2 began with lighter winds and tricky tidal conditions before the breeze returned to full strength, testing sailors once again. Across the weekend, there was tight racing, great sportsmanship, and impressive efforts all around.

Well done to everyone involved!
