Regatta Results

2026 29er National Championships

The 29er Nationals featured a wide range of conditions over four days, from light and highly variable breezes to solid sea breezes. Competitors faced shifting winds, tidal influences, and fluctuating strengths ranging from 5 to 18 knots. While some days delivered more settled and consistent racing, others were defined by fading breeze and major wind shifts, particularly on the final day. Overall, the regatta provided a demanding and varied test of skill in classic Hobart conditions.

The final day of the 29er Nationals was heavily affected by challenging weather, with racing delayed ashore due to a lack of breeze. An initial race was abandoned when the leading boat failed to reach the first mark within the 15-minute time limit. Racing later resumed just before the 3:00 pm cut-off, but fading breeze and a near 180-degree wind shift forced the course to be shortened.

Despite frustration and an unsuccessful protest, the regatta concluded with extremely close results, with only 0.4 points separating first and second overall. Caelan and Rob finished 9th and will receive an invitation to compete at the 29er World Championships in Kiel, Germany, in July

2026 ILCA Oceania, Australian Open and Youth Championship

ILCA Nationals – Royal Yacht Club of Tasmania, Hobart

The ILCA Nationals in Hobart challenged sailors with a wide variety of conditions. The regatta began with strong 20–25 knot winds and very cold water, followed by highly variable and shifting light breezes of 0–12 knots during qualifying, causing postponements, recalls, and long days on the water. The finals brought a mix of challenging conditions, including race abandonments, course shortening, and shortened sailing times, before concluding in steadier, more consistent winds of 12–18 knots for the final races.

Unfortunately, Jordy was forced to retire from the day after an equipment malfunction in the first race, finishing 15th overall in the Silver Fleet. Tommy finished 12th in the first race before delivering a strong 2nd place in a closely fought final race. He finished 6th in the Silver Fleet and secured an impressive 3rd overall in the Under 17 division.

We also had Matilda complete the eight-day ILCA Solidarity Program, finishing 23rd in ILCA 4 and achieving her goal of starting and finishing every race. The program prioritised experience over results, allowing her to race in large fleets, learn without pressure, and try new approaches. With guidance from experienced sailors and coaches, she built strong friendships, expanded her network, and stepped outside her comfort zone. Despite a long and demanding week, she is proud of her achievements and grateful for the opportunity.
