Spring Handicap Races 1, 2 & 3

Spring Handicap Racing – From 11 Knots to Nothing!

Sunday saw 14 boats, including three Sharpies, along with a handful of Green Fleeters, hit the water for Spring Handicap Races 1, 2 & 3!

Conditions started beautifully, with a steady 11 knots providing some great racing across the fleet. But as the afternoon wore on, the breeze had other ideas!
With two races completed, the wind gradually disappeared, leaving sailors searching for every last puff and boats crawling towards the finish line.

A great reminder that sailing is as much about patience and reading the conditions as it is about speed!
Well done to everyone who got out on the water and made the most of a very changeable afternoon.
